## Merredin Peak Tour a Huge Success!

It was wonderful to see a large group attend the Merredin Peak Cultural Tour and Seed Collecting Education event on Tuesday, 29 September 2020. Attendees enjoyed a pre-tour morning tea filled with sandwiches, party pies, sausage rolls, cakes and slices before heading to the Merredin Peak reserve for a talk about native Merredin plants.

The three hour integrated cultural and seed tour provided an opportunity for attendees to learn about Aboriginal history, and also allowed for attendees to try an array of bush berries and plants including the salt bush.

The tour concluded with a trek up Merredin Peak and back down to Railway Dam, where the ice-cream van was awaiting our arrival with delicious ice-cream and slushies.

The Shire would like to say a special thank you to Mick Hayden from Njaki Njaki Aboriginal Cultural Tours, and Steve Fry from Santeluca Forestry, for their wonderful guidance and knowledge throughout the day.

This event was held as part of the Shire's Recovering Roadside Conservation Values Pilot Project. This project is supported by funding from the Western Australian Government's State NRM Program.

## Expressions of Interest—Gala Night

The Shire of Merredin's annual Gala Night is one of the biggest events on Merredin's calendar, drawing locals and our surrounding wheatbelt community to celebrate the years end. It is where Merredin comes together to showcase the best of what our businesses and community have to offer as we collectively host a, once a year only, late night shopping experience with fun, food and entertainment for all the family.

The Shire recognises the difficult year that 2020 has been for most. With this in mind, we are delighted to announce that the 2020 Merredin Gala Night will be focused on showcasing our locals in a family friendly and BUY LOCAL event. Buying locally supports businesses in your community, helping the local economy thrive.

Would you like to be a part of planning and delivering Merredin's Annual Christmas event to held on Thursday, 17 December 2020?

The Shire of Merredin would like to invite local stakeholders, business groups, organisations, and individuals to nominate to be involved in the Gala Night 2020 working group.

We would also like to hear from those who want to get involved with Gala Night as a sponsor, stallholder, entertainment, or volunteer on the day.

If you are interested in any of the above, please contact Darcie Jolly - Shire of Merredin Events Manager – by emailing [clo@merredin.wa.gov.au](mailto:clo@merredin.wa.gov.au).

Let's come together to create an event that celebrates the end of a big year and projects our confidence for an even bigger 2021.

## Bush Fire Training Exercise

Did you notice the Department of Fire and Emergency Services (DFES) incident control unit in town last month?

On Friday, 18 September, the Shire's Bush Fire Brigades, along with local authorities and Shire staff, participated in a Bush Fire Training exercise which simulated a major bush fire that was quickly approaching town. The simulation was of a scale that required the Chief Bush Fire Control Officer to call in DFES to take control of the incident.

While the simulation allowed for practice for local volunteers and the Shire, the DFES crew also had the chance to trial set up and response times for the local brigades and to familiarise themselves with the hand over process for major fires.

## Curtin Volunteers Visit Merredin

On Friday, 2 October 2020, 16 students from Curtin University departed from the Bentley Campus to make their way to Merredin. After the three-and-a-half-hour drive, the students eagerly arrived in town and were greeted with a catered lunch, before making themselves at home at their accommodation. Shortly after arriving, the volunteers visited Merredin Rec Centre where they assisted with preparations for the Games Day. They set up the activities and spread themselves out across each of the games, supervising the stations to ensure everything ran smoothly. They delivered a fun filled afternoon of activities to the 30 youth in attendance.

The students returned to their accommodation at 4:30pm to relax, set up beds, and await a pizza night feast. Saturday morning the students were up early to enjoy breakfast at local café Dimensions, before heading to the Railway Museum where they spent a few hours touring, weeding, and tending to the gardens. The students then participated in a Njaki Njaki Aboriginal Cultural Tour around Merredin Peak with local Mick Hayden. The volunteers had a very educational experience and expressed that they couldn't wait to come back and do the other tours that Mick offers.

For dinner on Saturday, the volunteers were able to experience a farm visit with the Willis family. They were overwhelmed by how delicious the food was, the vast space, and the very sweet animals on the farm. The volunteers often say this is the best part of their trip to Merredin.

Sunday came around with a relaxing sleep in and an in-house catered breakfast before heading down to the Community Garden, where they carried out activities including planting, weeding, moving wood, and making garden beds. After all their hard work the students enjoyed a hearty home-made morning tea catered by the Community Garden.

The Curtin volunteers were very thankful and cherished the experiences and networks they made in Merredin during their John Curtin Weekend. They are eager to come back and continue helping the various community groups. The Shire of Merredin would like to thank all the community groups and businesses that assisted in the smooth running of this weekend and especially for giving these students a glimpse of our wonderful wheatbelt lifestyle.

### Burlesque is heading to the Cummins...

by Jessica Anne Gough – Owner/Director

What is burlesque?

Is it just a fancy word for striptease?

Luckily for word enthusiasts, burlesque derives from a rich tradition and meaning... The word derives from the Italian burlesco, which, in turn, is derived from the word burla: “a joke or parody”.

Aka - Burlesque is a performance intended for laughter and celebration!

Burlesque was started as a social movement, a ‘punch-up’ parody back in the 1800’s for women’s rights against social expectations – but you know, in a super fun and glamorous way!!

We added an element of the ‘art of tease’ in the 1930’s, then the neo rise (and rise) happened in the 1990’s and still continues today.

We’ve seen the art form laden with feminine showgirls, but burlesque welcomes all and is every ‘body’ celebrated – if there’s ever a place you should feel fabulous for exactly who you are, it’s at a burlesque show!

And guess what??

Western Australia has it’s very own BURLESQUE FESTIVAL...!!

Run by Western Australian local Jessica Anne Gough of Tease Industries, the 7<sup>th</sup> Annual Perth International Burlesque Festival is on again this year from Thursday, 22 October to Tuesday, 3 November.

## **Amendment to Rates Instalment Due Dates**

At the September Ordinary Council Meeting, Council adopted the following;

*“That the due date for the 2020/2021 rates be amended to the 25th September 2020 with instalments becoming due on the 26th November 2020 (2nd Instalment), 27th January 2021 (3rd Instalment), and the 30th March 2021 (4th Instalment).”*

The amendment to the due dates comes after it was found that one box of rates notices delivered to the post office was set aside and inadvertently missed when the bulk of notices were processed by them.

## Don't miss the show of the year... Djuki Mala is coming to town!

Djuki Mala have played 700+ live performances to over 500,000 people in 73 cities and towns, in 27 different countries across 11 years. Now it's regional Western Australia that will experience their landmark theatrical show in 2020 for the first time.

Djuki Mala (Djuki meaning 'bird' with a Yolngu accent and Mala meaning 'mob') have been thrilling audiences and touring extensively, both nationally and internationally - an amazing achievement for performers coming from one of Australia's most remote communities.

Djuki Mala's highly energized dancers present their re-interpretation of pop culture, dance and story-telling, juxtaposing traditional dances with contemporary Yolngu culture. By embracing a variety of styles, Djuka Mala pay tribute to Motown, Bollywood, techno, hip-hop, breakdance, krumping and classic numbers. There's a salute with umbrellas, to *Singing in the Rain* against the backdrop of their spectacularly beautiful island home. Michael Jackson's black suit and spangled glove are slipped into a Billie Jean routine, all done with a hefty dose of heart and soul.

Interspersed with multimedia, this retrospective and autobiographical show, is a marvel of timing, comedy and clowning and offers a rare and insightful view into Aboriginal Australia, leaving the audience feeling genuinely happy!

Direct from Elcho Island, North East Arnhem Land, Djuki Mala's extraordinarily humble journey started twelve years ago. Beginning in 2007 Frank Djirrimbilwuy uploaded a video clip of the group dancing an exuberant interpretation of 'Zorba the Greek' at Ramingining Festival.

Frank's daughter was cared for by a woman of Greek heritage in Darwin, the dance showcased how two strong cultures could come together. The clip was an overnight success and went viral with currently over 2.8 million views.

Djuki Mala have performed in the movie *Bran Nue Dae*, ABC TV's *You Can't Ask That*, *Secret River*, *Move It Mob Style*, Network Ten's *Totally Wild*, Kids WB and at major festivals and events throughout Australia, UK, China, the Pacific, US, Canada, Taiwan, Europe, and the Middle East including Lebanon, Egypt and Cyprus, attracting massive media interest and winning multiple awards and nominations.

Over thirty young men have danced in the troupe and members have performed alongside high profile Australian artists including: John Butler, Jessica Mauboy, Baker Boy, Kate Miller Heidke, Yothu Yindi and Blue King Brown to name a few.

Dancers include: Baykali Ganambarr, Yalyalwuy Gondarra, Tibian Wyles and Watjarr Garmu.

*"There is no better offering at this year's Perth Fringe Festival...tremendous fun."* **THE WEST AUSTRALIAN** ★★★★★

The show runs for 70 minutes and is suitable for all ages 5+.

Tickets for the 20 October show are available on the Theatre website here: [www.cumminstheatre.com.au](http://www.cumminstheatre.com.au) or in person at the Central Wheatbelt Visitors Centre.
