The Shire has zero tolerance for fraudulent activities or corrupt conduct. The Shire is committed to preventing, deterring and detecting fraudulent and corrupt behaviour in the performance of Shire activities. Suspected fraud and corruption will be dealt with in accordance with Shire policies, procedures and the *Corruption, Crime and Misconduct Act 2003*.

The Shire is the custodian of significant public funds and assets and therefore it is important that the community are assured that these are adequately protected from fraud and corruption.

All staff are responsible and accountable for the assessment of fraud and corruption risks within their directorate, reporting suspected fraud and corruption and to behave ethically.

2. Purpose of a Fraud and Corruption Control Plan

The purpose of the Fraud and Corruption Control Plan (the Plan) is to detail the Shire's intended action in implementing and monitoring fraud and corruption prevention, detection, response and monitoring initiatives.

The Plan has been developed in line with Australian Standard AS8001-2021 Fraud and Corruption Control and the Shire's Fraud and Corruption Policy, and forms part of the Shire's Risk Management Framework.

Elected Members and the Shire Administration are committed to adopting and implementing policies and practices that prevent, deter and detect fraudulent and corrupt behaviour in the performance of Shire activities.

The desired outcome of the Shire's commitment is the elimination of fraud and corruption throughout the organisation.

3. Definitions

Fraud and Corruption Control Standard AS 8001-2021 defines **fraud** as:

“Dishonest activity causing actual or potential gain or loss to any person or organisation including theft of monies or other property by persons internal and/ or external to the organisation and/ or where deception is used at the time, immediately before or immediately following the activity.”

Fraud and Corruption Control Standard AS 8001-2021 defines **corruption** as:

“Dishonest activity in which a person associated with and organisation (e.g. director, executive, manager, employee or contractor) acts contrary to the interests of the organisation and abuses their position of trust in order to achieve personal advantage or advantage for another person or organisation. This can also involve corrupt conduct by the organisation, or a person purporting to act on behalf of and in the interests of the organisation, in order to secure some form of improper advantage for the organisation either directly or indirectly.”

4. What is a Fraud and Corruption Control Plan?

The Plan gives guidance and direction to Shire officers and stakeholders on the processes for:

- preventing fraud and corruption;
- detecting fraud and corruption; and

- responding to fraud and corruption.

The Plan aims to:

- reduce the potential for fraud and corruption within and against the Shire;
- build a culture which seeks to prevent fraud and corruption;
- explain how suspected fraud and corruption is dealt with through risk management practices; and
- provide guidance on how any suspected instances of fraud or corruption are dealt with.

This Plan is comprised of four stages: planning and resourcing, prevention, detection, and response.

5. Roles and Responsibilities

6. Reporting Suspected Fraud and Corruption Incidents

Reporting through the Grievance Procedure

The grievance resolution process contains an informal and formal stage which is detailed within Staff Policy 1.16 – Grievances, Investigations and Resolution.

The informal stage allows for grievances to be resolved directly and promptly by the key people involved, with or without the assistance of others, keeping procedural requirements to a minimum.

Where satisfactory resolution of the issue is not achieved, the matter will progress to the formal stage. The formal stage commences when an aggrieved party details a complaint in writing to the organisation via their direct manager or the CEO.

Making a Disclosure of Public Interest Information (PID)

The PID procedure is designed to encourage and facilitate the disclosure of improper conduct, provide protection for those who make disclosures, and provide protection for those who are subject of a disclosure.

A detailed procedure for making, receiving and investigating a disclosure are outlined in the Shire of Merredin PID Guidelines. Please refer to this document for further advice.

Making an Anonymous Fraud or Corruption Report

Anonymous complaints may be made to a range of external agencies such as the [Crime and Corruption Commission](#) or the [Public Sector Commission](#). Please refer to their website for further details.
