

CAN YOU FIND THE ELVES?

NINE of Santa's naughty little elves have gone missing!

We need you to help us find them. All we know is that they can each be found in a different business around Merredin. We have also found a list of clues that might help you to find them. Once you find all of the elves, make sure you write down where you found them, get it signed off by the business and return your form back to the Visitors Centre or the Shire Administration.

Once you return your form, you will go into the running to win an awesome prize that will be drawn on Gala Night 2019!
